Light of the World

A Michigan newspaper carried a story about a light bulb that had been burning day and night on a porch for thirty-five years.

An electrical engineer speculated that early light bulbs had very strong filaments, which may account for the bulb's longevity.

Today's reading recalls another light that has been burning day and night for over 2,000 years --the light of the star of Bethlehem that points to Jesus, the Light of the World.

Harrow Winter Night Shelter 2019

The teams from St Joseph's who are cooking for the night shelter also need female volunteers who would be willing to spend one night or more sleeping at the shelter. The guests sleep in one room, supervised by an overnight supervisor who stays awake all night. The overnight volunteers - either one or two per night - sleep in a separate room and are there simply to support the supervisor should the need arise. Dates needed for St Joseph's are Fridays 4th and 18th January, 1st and 15th February and 1st, 15th and 29th March, and Saturdays 12th and 26th January, 9th and 23rd February and 9th and 23rd March. Please contact Mary Prazer on 07976759968 or maryprazer.mp@gmail.com. Both male and female overnight volunteers are also needed on other nights. Please contact Fernando, the night shelter manager, on 07734384831 or fdp@firmfoundation.org.uk
