Second Sunday of Lent

5th March 2023

Transfiguration of the Lord

Transfiguration is not a solitary event in the Gospel but one that happens over and over again. Throughout his public ministry Jesus transfigured many people – the broken, the wounded and the wayward. He called to the deepest part of people and transfigured them by the power of God's love, the same power that transfigured Jesus himself. For Jesus, that experience was getting closer to who he really was. And we all get closer to who we really are when we hear our name called in love. When that happens, we become radiant, and we are enabled to face the future.
