Third Sunday of Lent

12th March 2023

The woman at the well encounters Jesus and then preaches the Good News to all she knows. We really don't know much about the woman. All we know is that she is a Samaritan, a member of a different religious tradition.

Jesus' knowledge of her personal life convinces her that he is a great prophet. When he reveals himself as the Messiah, she believes. Then she goes and tells everyone she knows. They believe her because of her personal testimony.

This woman is a great model of one important role of women in the Church, evangelizing and preaching the Good News to their friends and family.
