Tenth Sunday in Ord Time B

9th June 2024

On this Sunday, the Church reminds us that as humans, we all have an existential struggle against evil. However, we are illuminated through the assurance of victory in Jesus-Christ.

Every true disciple of Christ is a member of his family. He came to save all who are ready to do the will of God. Of course, Mary his Mother is a great model of this for all of us. Therefore, Christ did not disrespect his own faithful mother. Rather, he teaches an important lesson today. That, through faith and obedience to God's will, we all have the opportunity to become members of his family.

Therefore, we are called to live out our faith by following Jesus' teachings and sharing His love with others.

Pope's Intention for June

We pray that migrants fleeing from war or hunger, forced to undertake journeys full of danger and violence, find welcome and new opportunities in the countries that receive them.

Rosary's Intention for June

We pray especially for those with mental health issues in our parish community.
