**Eleventh Sunday in Ordinary Time B**

**16<sup>th</sup> June 2024**

The readings for this Sunday remind us to trust in God's power and care. They encourage us to live humble, faithful lives, knowing God will grow and nurture our faith.

God's kingdom often starts small and grows quietly. Like a mustard seed, small efforts can lead to significant outcomes. God works under the radar, turning humble beginnings into something great. He reminds us not to be afraid of starting small. These small beginnings, unnoticed at first, led to massive impacts. God's work often starts quietly and grows into something mighty.

In our daily lives, we often face challenges and uncertainties. We might not see the results of our efforts right away. Today we are reminded to have faith and trust that God is working through us. Our job is to be faithful and do our best, leaving the rest to God.

### **Pope's Intention for June**

We pray that migrants fleeing from war or hunger, forced to undertake journeys full of danger and violence, find welcome and new opportunities in the countries that receive them.

### **Rosary's Intention for June**

We pray especially for those with mental health issues in our parish community.

Olive wood carving is one of the most important sources of income for them - 90% of the Christians rely on the sale of these items.
