Easter Sunday
Second Sunday of Easter

31st March 2024
7th April 2024

“He has risen !!!”

Today, we celebrate the Resurrection of our Lord Jesus Christ. We know that he has truly risen from the dead. Yes, indeed! This is the fundamental core of our profession of faith; this is the cry of victory that unites us all today.

Easter Sunday is God the Father's response to the Cross. It is the Father's affirmation of everything that Jesus preached and did, everything for which he lived and died. It is the definitive answer of the Father to a world that sought to silence Jesus forever, the supreme manifestation of the power of God's Love – a love that is stronger than death, or hatred, or injustice.

On this Easter Sunday, let us rejoice and be glad because Christ our Lord is Risen. Death, and all that is negative within us and in our world, has no longer any power over him. And with him we too are victorious, for now nothing can come between us, and the love of God made manifest in Christ.

We wish you and your families a very happy, safe and Holy Easter
