**Eighth Sunday in Ordinary Time**

**2nd March 2025**

On this Sunday the readings focus on important lessons about how we speak, act, and live as Christians. These themes help us reflect on our daily actions and their alignment with our faith.

We learn that being a true Christian means acting on our faith, not just speaking about it. It's easy to promise, but actions show our true commitment. Admitting mistakes and correcting them requires humility & courage. The sacraments help us align our actions with our beliefs. Being "doers of the Word" means living out Jesus' teachings in everyday life.
